PASCO COUNTY, Fla. – School is just around the corner and if you haven't started to plan for the school year, it's time to do so and this means more than just stocking up on pens and pencils!

Come out to the Florida Department of Health in Pasco County (DOH-Pasco) to receive no-cost school immunizations. All Florida registered students are required to have the Tdap immunization before entering the 7th grade. Clinic information below:

- **Friday, August 5th from 8:00 a.m. to 4:00 pm at 13941 15th St., Dade City**

If you can't make the date listed above, then please call 727-619-0300 option #1 to schedule an appointment.

Childhood vaccines are a critical step in protecting your child. Immunity is the body's way of preventing disease. Vaccines reduce your child's risk of infection by working with the body's natural defenses to help safely develop protection against common vaccine-preventable diseases like Measles, Mumps, Rubella, Chickenpox, etc.
